City of Salem Announces Snow Emergency Parking Options for Residents

SALEM, MA – With the potential of heavy snowfall quickly approaching, the City of Salem would like to notify all residents of parking options throughout the City during snow emergencies. The following is a comprehensive list of available parking for residents in our neighborhoods:~

Museum Place/South Harbor Parking Garages – \$1.00/day ~~~~~ Broad Street Playground
(vehicles parked overnight need to be moved by 10:00 a.m.) ~~~~~ Bates School Parking Lot
Saltonstall School Parking Area located on Salem Street ~~~~~ Mack Park
Saint Joseph’s Church Parking Lot on Lafayette Street ~~~~~ Salem Willows Park ~~~
Blaney Street Parking Lot (Salem Ferry landing) ~~~~~ Lower Gallows Hill Park
Witchcraft Heights School Parking Lot ~~~~~ Castle Hill Playground
Carlton School Parking Lot ~~~~~ Bentley School Parking Lot
Forest River Park ~~~~~ Shetland Properties
Collins Middle School (Jackson Street parking area)

Residents who wish to park in the designated area at Shetland Park must register with the Shetland Park Security Office and obtain a vehicle pass that must be displayed on the dashboard. Permits can be obtained at the Shetland Park Security Office, 8 a.m. to 5 p.m., Monday through Friday. ~All vehicles must be removed immediately following the cancellation of the snow emergency (including weekends). ~Contact Shetland Security at 978-740-4429 for further information.

Alternative parking is also available at the Salem State College O’Keefe Center Parking Lot. A permit is required and can be obtained at the College’s Public Safety Office. Please call 978-542-7096 for further details.

All of the above locations, excluding the Museum Place Parking Garage and South Harbor Parking Garage, offer parking at no cost.~ Vehicles parked in these locations due to a snow emergency must be removed once the snow emergency has ended.~ Snow emergencies are identified by the flashing blue lights on streetlights.~ Residents are notified of a snow emergency through broadcasts on local radio and Salem Access Television.
